Lena Dunham and Judd Apatow are one step closer to getting their romantic comedy Love, interestingly enough called Girls. While no one’s divulging the plot, we’re most definitely holding our breath for some fascinating developments. This is to show you’re not alone if you’re invested in Dunham and Apatow’s lives. Dunham has made millions by following her dreams and from what we’ve heard from insiders, the former Girls star loves sitting down with her Oscar and Emmy-winning writing partner on random projects. "I just want to get a little bit of personal time with Judd one 0cc13bf012
