Easy to create & get verified in 3 minutes. No need to enter your personal information. TubeBuddy is YouTube Optimization solution that will help you get more views, comments & subscribers by creating more engaging, entertaining & informative YouTube videos. With TubeBuddy: Get new views to improve engagement. Get more comments and likes to improve engagement. Get new subscribers to improve engagement. Get more tutorials to improve engagement. Get more favorites to improve engagement. Get more subscribers and views to improve engagement. Get more recommendations to improve engagement. TubeBuddy is an amazingly performing tool that will give access to a whole optimization plan, offering suggestions for you to get better and grow your channel. The Chrome extension gives you access to all the Pro features the web app has integrated. Although pretty large for an extension, once you start using it, you will understand why you need it. Auditing your account Upon installing the Chrome extension, you will have to register with your Google account to have access to the features the web-based service offers. Also, adding one or more YouTube accounts is mandatory for you to see what the TubeBuddy service has available. It has plenty of important functionalities such as health report analytics, valuation and suggestions on how much to charge, how you are situated in the market, search rank tracking, and much more. The tool is always available on YouTube for you to use. Analytics on videos that have the TubeBuddy icon will make information available in one place, alongside all the details you need. Another important trait of the TubeBuddy service is that it feels like having a personal assistant who is guiding you, checking your work, and making you feel proud of your improvements (there is an implemented gamification strategy that is conducted based on your achievements, on your personal milestones). Optimization at its finest After giving you insights

about your channel and its performance, you will be prompted with suggestions on how to improve, comparative analysis with the market and with your direct competitors, thumbnail comparative analysis, videos topic planner, compiled keyword tags that you might want to use in your channel, strategy tips to help you find what is the best time to post, and many others. The service will even enable access to advanced research strategies such as A/B testing on videos, keywords, best-performing content, thumbnails. Additionally, you will have access to the keyword explorer it does the research for you and, based on a given score, tells you what 09e8f5149f

If you want to help and donate: PayPal.Me/rollandberry I count down the 20 Books I recommend you try first before buying to read the ones you like and are interested in. Hopefully they help you... This is part two from my first book, 25 of the best business books you can read Audio books are one of my favorite ways to gain more knowledge. Regardless of the time it takes and whether you want a short story or a long one, audio books are great for your commute, running, taking a walk or simply for book-reading. If you are on a limited budget, I recommend downloading sample chapters on the Internet. This will keep you motivated in doing the whole book. I recommend you read online if you do not own an audio book player like a Kindle or Nook. The ones that are online are free or have a small fee in the beginning and then with your credits, you can use the complete book. You can check out my book's description here: Amazon: The best place to buy an Audiobook Ebay: For the list of books I recommend Audible: A very well-known company that offers a lot of different types of audio books, I recommend the story hours which are like short-stories, they can be a little bit more difficult depending on the author but they are relaxing. And for the kids, I recommend the Bedtime Stories, for kids in the bed with a book in a different language than them. You can try Amazon.com or the app if you do not have a credit card.
