What you can do now

Here are some of the things you can do now (and in the future, you have the game running entirely on a web browser, but that's a bit too complicated for this writeup).

- Wide outdoor landscapes. Our current demo is literally a playground, perfect for keeping kids entertained while their parents use the services of the store, do their business, or cook lunch.
 - If you test Oculus Rift on this demo, you'll see an update coming soon that will allow anyone to use their fingers to move!
 - Try the Open solar field demo.
 - Try the Single solar field play demo
