From the beginning of the fantasy world of Thamasa, the Cursed, a mysterious and high-powered entity called “the Elden Ring” has arisen to the south of the main continent. In the world of the Elden Ring, battles between good and evil occur. You become a new member of the “Holy Order of Elden,” and embark on the “dungeon-journey” to face an enemy you have never seen before. Dive into the fantasy story, and change the course of history. [DETAILS] Please visit: Facebook: Twitter: Producer: Ok. I have not played this on PC yet but I have played it on the 360/ps3. If I want to jump into the story of this game then when will I be able to? there is a story in-game but you have to wait for the story to be told or do it for yourself on the reddit? I don't know. So what happened in the story of these two games?A long time ago on a very distant planet for the time being there is a civil war among three factions. The Zealots, Zealots are a religious organization that protect the sanctity of both life and the idea of “freedom” from the standpoint of their own beliefs and views. The Rebels are the other faction, they are a group of people who want to see the fall of the Zealots for their own belief in “free will” and freedom from the clutches of the system. And last of the factions are the Charis, they are like the people who want to claim the territory of the planet and push the other faction into their own. And on top of this the planet is thrown into chaos and war and there is the 1 person who is looking at all these problems from the outside.They called “the Observer”. And his name is Garland Hawthorne, he is a person who is condemned to live for the rest of his life by a voice that he does not even know what is he, the voice forces him to live his life like a puppet. And he's stuck in this limbo life, waiting for the day that this voice tells him to die. This voice told him to go to this

Features * Action RPG * A Unique Atmosphere of a Fantasy World The world of “The Tarnished Prince” is an epic fantasy world where the distance between heaven and earth is interwoven with the world of law and chaos. In this world, the game features:

- An action role playing game with a lot of depth
- A vast world full of interesting situations and mysteries
- A multilayered story where your actions are intertwined with those of other characters
- Plenty of characters with unique abilities
- Flexible battle system that lets you adjust the difficulty
- A comfortable battle system that lets you freely attack and use different combat styles depending on the situation
- 2 Customization options
- A wide variety of items that let you customize your character to your preference
- An epic background music that tells the story of your adventure
- And more!

1. Action and battle * Action RPG Whether it’s advancing through dungeons, wielding a sword or magic, combat is a game that fills the action role that is essential to RPGs. * Asynchronous Online Battles Online battles support up to 12 players simultaneously. You can complete battles by yourself or with friends and travel to other players’ worlds freely. * 3D Design Even in battle, the game features 3D design. You can clearly see and identify enemies from a distance, while enemies with long range attacks are indicated by arrows. And since the 3D design allows your enemies to jump, their movements are different from those of the hero.

2. Story * A story born from a myth The game features the legend about the Tarnished Prince as a driving force. The Tarnished Prince is a hero born from the core of Elden Land, and in his quest to find the crystal of the universe, he received the armor of the legendary Elden Lord. He traveled around the world of the Lands Between and joined the Elden Knight War to help war-torn people as a fearless knight. * A Multilayered Story with many moving parts * The Tales of the Tarnished Prince As the Tarnished Prince, you will explore the Lands Between, and experience new stories.

- You will experience your first fateful and thrilling event as a Tarnished Prince.
- You will connect with new characters with their diverse personalities.
- You will experience branching storylines in which you can choose your own path.

It's the quarter issued by the U.S. Mint during the Great Depression to honor Martin Luther King, Jr., and is now the most valuable U.S. coin in the world. That's according to Coin Invest Trust, which is holding a U.S. Silver History Day auction in London this month to sell off the coins. It's a pair of these quarters, which are part of what's known as the 29th Batch and are expected to sell for more than \$1.3 million, making them the most valuable American currency in circulation in the world. This is the first time the coins have been sold in public, according to Peter Kirkham, a coin expert at the auction house Bonhams. About 10,000 of the quarters are being auctioned by the U.S. Mint and the public gets the first chance to bid on them. The pieces will be sold at £1,500 (\$2,300) per coin. The quarter struck in 1932, designated for King's career as an activist for civil rights and non-violent means of protest, includes a portrait of Dr. King, the exact date of his birth and death, a moving quotation from his most famous speech ("I have a dream") and the face value of a quarter. The two halves of the coin are framed by the words "Truth, Justice, Freedom." Here's how it's supposed to work: The winning bidder will be charged £1,000 per coin or £4,000 for both. Each piece of the king's quarter will be stamped with the word "SILVER" and surrounded by a ring of six stars, which symbolize the six states that are part of the original United States. The mint, which
