1. Field of the Invention The present invention relates to a pedal arrangement for a hydraulic clutch. 2. Description of the Related Art A clutch pedal arrangement for an automatic transmission is known from U.S. Pat. No. 4,633,656. As known from this patent, a brake-pedal is arranged in the vehicle interior and a clutch pedal is mounted on the brake pedal via a ball joint, the upper end of the clutch pedal resting against a stop. In addition, the clutch pedal is pivotably mounted on a rocker, whose rocker arm engages a release bearing of the clutch. The pedal arrangement, which is a conventional solution, is expensive to produce and has the disadvantage that the pedal arrangement can be displaced unintentionally out

of the normal position during the assembly of the
vehicle. The pedal arrangement is displaced from

What's new:

FIFA 12 contains a brand-new match engine, bringing a whole new dynamism to proceedings. The presentation has been refined to help you get an even better idea of what is happening on the field. New skills and authentic attributes have been added to give players a real advantage. Take full control of your shots from the first whistle and play as intuitively as possible. The One Key - Customise your gameplay style by choosing from three different game modes, including Quick Game, Standard Match and Training Mode. - Joining a game now unlocks tutorials and instruction to get you up and running quickly. The New Match Engine - Train and communicate with your teammates and opponents on the pitch. - Play tactics and counter-tactics to win every 1-on-1 opportunity. - Go from total domination to a nervous crawl thanks to the all-new fatigue system. - For the first time play 2-on-2 games and take goal kicks from more of the action. The New Referee System - How should a referee decide when a foul has been committed? That call is now made by the referee, it's not randomised and will make the right decision. - New players also make good referees and make their own decisions in your favour. 'The Game Has Evolved' - New camera views and fantastic player reactions deliver a more authentic game experience. - Your touches, passes, dribbles and shots feel more realistic thanks to Game Intelligence. - New skills and attributes give you the edge. - Real Player Association stats bring the game more in touch with reality and more in line with the way the planet works. Over 2.5 Billion Ball Bounces On top of the new

features, FIFA 12 is all about kicks and connects. More players love "kicks", but two-thirds of goals at the highest level don't result from a pass. The "connect" factor will bring you closer to the 60,000 new balls a year that are causing thumping scores in games all over the world. 2014/15 Friday 12th February 2014 FIFA 15 is the most authentic video game on the planet featuring over 900 players and more than 130 team, region and league-specific kits, 3D matchday atmosphere and the best gameplay in the series to date The Brand-new EsportXchange Platform FIFA 15 is set in the modern-day dream of many football fans
