Features Key:

Fun, Fantasy Action RPG

Load Times: The game loads quickly, minimizing loading times. We studied data on the backgrounds of players after release, and saw that there was a noticeable decrease in loading time for players when compared to immediately before the release of the game. This means that we were able to transfer graphics, music, and various other assets efficiently.

Difficulty

Advanced Combos

Unique Visual Settings for Characters

What the Character Looks Like after Awakening

Features of the various class types:

- *Heal:* Relieve the fatigue from battle using your unique abilities such as good magic and good weapons.
- *Aggressive:* Attack enemies with your sharp sword skills.
- *Melee killer:* Use a variety of weapons and become a strong fighter with special techniques and equipment.
- *Hiding warrior:* Counter enemies that use magical attacks, and perform escape arts and techniques using your clear vision.
- *Dashing Knight:* Show the proficiency of your sword by swinging it fast back and forth.

Thanks for your continued support!

Its TLDR: We are genuinely grateful for the support and interest in the game. Our pursuit to release the best game possible has never changed, and we look forward to bringing you even greater *Elden Ring* in the future. Thank you for reading.

I'm sure everyone else played Dawn of War 2 Remastered, so I asked to “ □_□ ”

I'm really happy to be a part of this team.

Thank you and goodnight.
