I have enabled "Run this task on demand" option for the Lightning component through the user interface (UI) of the Lightning Experience. However, I don't see any way to set this option through API. I have looked at few posts on how to do it but none of them seem to work. A: This feature is only available on component installs. You need to update/install your components and then you will find the checkbox to run the task on demand. NOT FOR PUBLICATION FILED UNITED STATES COURT OF APPEALS JUN 21 2020
