The Elden Ring game is a sandbox-style fantasy RPG with elements of action role-playing, presented by Bandai Namco Entertainment America Inc. Developed by BANDAI NAMCO Entertainment Inc. (BNEI) and based on the globally popular fantasy series, "Drag-On Dragoon"

and its sequels, in collaboration with BANDAI NAMCO Entertainment. The game is the first in the new fantasy action role-playing series which explores the magical world between reality and dreams. Flink invalid type; expected simple type, but... Object;java.lang.Object I am writing a map reduce job for flink. I have a simple class Parentclass and a derived class ChildClass, I want to run Parent to ChildMapReduce(job flow). The code is Parentclass extends Parentclass public class ParentClass { public void getData() { //.... } } public class ChildClass extends ParentClass { public void getChildData() { super.getData(); //.... } } I am using Object-map and Object-reduce to run ParentClass to ChildClassmapReduce. I am running this job using shell script using ./task.sh ParentClass ParentClassRunner test.txt test.txt It is running fine. But when I create a object of ChildClass and run the same job. ChildClass childClass = new ChildClass(); childClass.getChildData(); The error is : Failed to do parallel execution on the job type: ChildClass because of an invalid type; expected simple type, but found: ChildClass;java.lang.Object; I tried to cast the childClass as ChildClass, then the error is Exception in thread "main" java.lang.ClassCastException: java.lang.Object cannot be cast to com.test.ParentClass I am getting Object as result. It means that my child class is not converted to parent class. Also I am not able to convert child class into parent class,

Take on the role of an outlaw seeking to defeat the monarchy who has corrupted the Lands Between, and act as your faithful sidekick to assist you in your quests! The pre-rendered backgrounds and graphics in the game represent a vivid imagination, and everything within them is realistically flowing in-game. Pushing the boundaries of RPG graphics, the 3D effect is used in all the action scenes. How you battle against the enemy is completely up to you. Players can freely develop the characters as they please, but the difficulty in combat will vary depending on the level of your proficiency. Combat is like a dance, and players can master the art with practice. All players can go home when they are defeated in battle, and receive the "Dark Spirit" for good fortune. bff6bb2d33

FARCRY 2 - Definitive Edition The Definitive Edition of the award-winning first-person action RPG puts you in the boots of an adventurer in a beautifully realized fantasy world. "Definitive Edition" includes all of the content in the standard PC version along with new player-characters, a new class, the Hollow Bastion expansion, an extensive single-player campaign, a new chapter of the "Colonization" downloadable content, and much more.

FARCRY 2 - Definitive Edition is a fan remaster of the entire game, including textures, environments, cutscenes, the skill tree, and more. Expect the same experience you remember on consoles and PC, with lush graphics, enhanced visual effects, and finely tuned controls. In addition to these improvements, all players can experience the full adventures of the 3 character classes, Crow, Dune, and Wolf, from early game events in the "El Dorado" expansion to unlockable rewards in the "Colonization" expansion. Now, even more of the detailed story of the world of Far Cry 2 unfolds before you, in a story-driven campaign with multiple endings. "Definitive Edition" is available for purchase exclusively on PlayStation 4, Xbox One, and PC.

FARCRY 4 - Console Edition The acclaimed action-RPG returns in Far Cry 4. This breathtaking open-world adventure takes place in a world perpetually torn apart by civil war, with no hope for peace. In this hostile environment, you are a survivor of a failed Eden adventure and must return home with your family to a world that does not understand your skills. Settle into life as Monroe, a pioneer in the Himalayas who tries to protect his family from the outside world. With Far Cry 4, you'll need to prepare yourself to deal with the fierce animals, ruthless hunters, and warlords that

populate the world of Kyrat. You
