FIFA Ultimate Team returns for FIFA 22 with up to 40 new players and 20 new kits. You can improve your squad by adding new arrivals in new categories such as Ronaldo, Cruyff, Kaka, Robben, and more. A large number of new FA Cup cards will also be added. These cards allow you to use a special roster or formation that you can only use in the FA Cup. KICK & TRICKS New Penalty Kicks - The new penalty kicks are completely different from previous attempts. When playing with or without a wall, they are more natural and immersive. New One-Touch Kicks - These new kicks have become a beloved feature in FIFA. You can now select a direction alter kicking, and follow the directional arrow until the ball reaches your opponent's goal. New Tackles, New Throws - The new tackles use true physics, and will react much more realistically to the contact with the ball, which can feel more natural. Both central and wide throws can be performed right from the throw motion. New Short Passes - These short passes now always give the player a choice of location rather vicking the perfect angle. This results in longer passes, which are more realistic and give the feel of a much higher level of passing. New Shots - Shots are improved, especially shots from distance. The new passing animations. Pey Guardiola - A new more atter to rouch, and new passing animations. Pey Guardiola - A sthe new monter of City Football Club. Per will take the reins and share his experience with the world. PERSONALITY New Camera Effects - The player's camera now becomes one of the stars in FIFA 22. If you want to see your play-style on the big screen, you can now choose how the camera shakes or moves to give you that cinematic feel. New Commentary has been enhanced with new features, props and a modern look that will immerse you even more into the game.

<u>What's new in Fifa 22:</u>

- HyperMotion Technology uses small bits of immersive game data collected from real-life players.
- The players' AI has been improved, resulting in more realistic gameplay.
- The return of Face Off allows you to target opposition players that need attention.
- FIFA Moments gives you access to never-before-seen archive footage, improving your overall game experience.
- Using the 32 Ultra Skills, we have created an 11v11 map that you can use in Training Mode and earn Training Points.
