This isn't the first time that we've seen video of the rumored Melo/Landry/Carmelo front office trio. We've seen many videos of them hanging out, but this video shows them at least laughing it up. It's unclear where the video came from or who took it, so please share this if you have it. Q: Reduce code using Lisp/Common Lisp I am just starting to learn how to code in Common Lisp, and I am trying to reduce the amount of lines of code that are necessary to perform simple things such as: Get the length of a list Append an element to a list Print a list The basic code I use to do these things is this: (defun get-length (x) (multiple-value-bind (n min max) (values (length x) 0 1) (values n min max))) (defun append (x y) (push x y) (values (length y))) (defun print (x) (cond (null x) '()) (cond (empty? x) '()) (t (push (list (first x
