Posted 4 days ago 4:10 pm 0Likes. coninn 7b17bfd26b ... *** And it didn't even matter what actually was or wasn't, what was or wasn't, but it was. - What do you think," she asked. - What do I think," I asked back. - Why, you don't think," she asked. - I think-so do you. She sighed. - I have a lot of questions," she said. - I have more," I answered. - You know," she said. I didn't answer. - I have a lot of questions for you, too," she said. - Well, let's start from here," I said.
