So since I'm a complete trash on Cheat Engine and can't figure out how to create viable tables. So I was wondering if there are any available for this game, but if not, is there a way to create tables based on data that I can modify to achieve this? Edit: I didn't mean that I know where the table is, but I wanted to point out where it is in the game. So if I want to find a table, how can I do it?
